This year, the workshop features a half-day pre-workshop "Boot Camp" that will cover the basics for Local Government staff who may be new to local programs and local project delivery.

Plenary Speakers include:

- Gregory A. Whirley, Sr., Commissioner, VDOT
- Peter J. Stephanos, PE, Federal Highway Administration
- Jeff Southard, Executive Vice President, VTCA
- ... and more

## Showcase Your Successes

In 2013 we will feature an **expanded** local project showcase slideshow featuring more projects. We are looking for pictures of projects that are either locally administered, using funds from our programs, or both. The showcase projects will be featured during all breaks and meals in the general session ballroom. We are currently accepting project submittals and urge you to send in photos to showcase your successes and network with your peers! Check our [workshop webpage](#) to see how to have your project highlighted or contact [Michaela.clayton@vdot.virginia.gov](mailto:Michaela.clayton@vdot.virginia.gov) for information.
